Northern Virginia Orthopaedic Specialists treat all types of orthopaedic and sports medicine injuries for patients of any age. Surgeries are performed on foot and ankle, joint replacement, shoulder and elbow and general orthopaedic surgeries. Services include medication assessment (prescription and over the counter), physical exam, osteoporosis evaluation and check for immobility. 50% of this practice is devoted to the 60+ aged population. Physicians hold privileges at Prince William Hospital and Inova Fair Oaks Hospital.
