The Alzheimer's Association, Fredericksburg Branch, offers family education and caregiver workshops which are educational presentations designed to give current information to caregivers about Alzheimer's disease, various aspects of caregiving, coping strategies and community resources. In-service training for caregiver staff of residential facilities, adult day care, home health care and other programs that require specific education on Alzheimer's disease and caregiving may also be offered.

Call for information about programs and locations or visit the website for current classes.
