Atlantic Shores is a continuing-care retirement community. Retirement living is available to individuals aged 55 and over including the ability to lease or own your home. In the case of married couples, only one of the partners needs to be 55 years old. Atlantic Shores takes care of home maintenance, lawn care, and housekeeping, so our residents have free time. The community offers independent senior living, including a full social life, new learning experiences, a fitness center, recreation, and adventure. Please, call for services and amenities that are available.

Continuing care services available include:

- Assisted Living (Harbourway) with 52 apartments at Atlantic Shores;;
