The Heart of Virginia Free Clinic provides free primary medical care, prescription medications to low-income, uninsured adults. Services are provided to individuals without medical insurance (cannot have Medicaid or Medicare or private insurance) who do not qualify for free health care elsewhere in the community. Services are currently not provided to those over the age of 65.

Patients need to have an eligibility interview to be seen at our clinic.

Eligibility interviews can be done in person at the clinic office on Wednesdays between 1:00 pm - 3:00 pm. Appointments are required..
