Magellan Complete Care of Virginia (MCCof VA) offers a health plan for individuals in Commonwealth Coordinated Care Plus, Virginia's Medicaid program for managed long term services and supports, including Medicaid Expansion members. MCC of VA can help you with your choices and control over the decisions affecting your life

When you enroll with MCC of VA, the care coordinator will discuss with you and your family to create a care plan based on your desires and goals and work with your health care providers to make sure they also understand your needs.
