The American Tinnitus Association provides information, resources, support and hope to the 50 million Americans who experience tinnitus. Resources on the website include:

- Learning About Tinnitus
- Requesting Informative Materials from ATA
- Locating a Health Care Professional
- Finding a Support Group
- Tinnitus and Ototoxic Drug Information
- Other Helpful Hearing Organizations and Links

The ATA also funds innovative research, hosts educational events around the country, publishes "Tinnitus Today" magazine and works with members of Congress, the Department of Veterans Affairs (VA), the Department of Defense (DoD) and the National Institutes of Health (NIH) to raise awareness of the urgent and ever-growing need for more research funding to cure this malady.
