Woodbine Rehabilitation and Healthcare Center provides respite care for caregivers who need a break from their routine or have business or vacation trips planned. Respite guests receive the same amenities and services that long-term residents have. Special needs are met by the nursing staff.

Visits include room, meals, activities and around-the-clock care. Fees vary depending on type of room requested. Respite can can be a minimum of 3 days or up to one month. Register once, and then make reservations as the need arises.

Respite care is available as long as space is available.
