Performs hearing aid evaluations and provides hearing devices for clients of all ages. They fit earmolds and hearing aids and help find appropriate assistive listening devices to use with and without your hearing aids including amplified telephones, alerting systems, alarm clocks, pocket talkers and TV ears. A hearing aid may be returned within 30 days of the original purchase if you are not satisfied.

Blue Ridge's audiologists and therapists are non-commissioned professional staff that is licensed and certified within their respective fields. All clinical staff possesses Master's and/or Doctorate degrees as are required by law to provide speech, occupational therapy, and audiological services.
