Volunteer opportunities are available at American Lung Association in Virginia. The agency offers wide variety of lung health services to people of Virginia in which volunteers are needed to carry out the focus of the program. Pick a specific program or volunteer for more than one. No medical background is needed; training is provided for all programs and special events.

Internship opportunities are available where interns assist staff members in such areas as organizing files, answering phones, typing and computer entry, photocopying, as well as special projects.
