No Age Requirement

Available 24/7

No

Documents Required

Call for details

Other Eligibility Criteria

Cancer patients, bone marrow donors, and bone marrow recipients of all ages who are ambulatory, in stable condition, and who do not require life support or IVs.

Family

Yes

Intake Contact Email

info@corpangelnetwork.org

Intake Process

Call to register within three weeks of a specific appointment at a recognized cancer treatment center or email to provide a phone number where patients can be reached. Patients must make back-up travel arrangements, as a flight is not guaranteed. Patients will be called immediately if and when a match is found.

Corporate Angel Network arranges free travel on corporate jets for cancer patients, bone marrow donors, and bone marrow recipients, as long as they: are a cancer patient or bone marrow donor or recipient, traveling to treatment, consultation, or a check-up; traveling to recognized treatment centers as listed with the National Cancer Institute or the American College of Surgeons; able to walk up the steps of a corporate aircraft without assistance; not in need of oxygen, IV, or onboard medical assistance.

Patients may travel with a companion, and a child may travel with two adults. Eligibility is not based on financial need, and patients may travel as often as necessary.
