Mary Williams Community Senter Center is located inside the newly renovated historic Jefferson School City Center, and offers a hot, freshly prepared lunch, which incorporates local foods when available. Please call for more information.

The Community Senior Center is a gathering place for daily socialization, whether for health or current events discussions, crafts, sewing, gardening, exercise programs, computer classes, games or field trips.

JABA's Mary Williams Community Senior Center provides access for older adults (60+) and their families to a wide array of community services essential for maintaining health, independence, and wellbeing. Programs are offered in four core areas: Health and Nutrition, Education and Recreation, Physical Fitness, and Volunteerism. Programs include lectures, live arts, exercise classes, interest groups, nutritious lunches, health education and screenings, entertaining activities, and community based events. Through a case manager, the center also provides home based nutrition services.

Caregivers are expected to attend along with individuals who require personal assistance.
