Bon Secours Memorial Regional Medical Center participates in the Every Woman's Life (EWL) program. EWL is a public health program that helps uninsured, low income women gain access to free breast cancer screening services. Screening and early detection reduce death rates and improve treatment options.

Screening is done at the Bon Secours Cancer Institute. Call for eligibility and more information. This location accepts women ages 40 through 49. Call for a Bon Secours location that accepts women 40 through 64.

For detailed information about eligibility guidelines for EWL program and to find another screening provider site, go to [VDHLiveWell](https://www.vdhlivewell.com).
