The VCU Parkinson's and Movement Disorders Center offers multi-disciplinary evaluation and treatment services addressing the needs of individuals and families affected by movement disorders. A comprehensive evaluation and plan will be

developed for each person.

The Center's multi-D evaluation is the only one of its kind in Virginia available to the public. This evaluation includes assessments by:

- Movement Disorder Neurologist
- Clinical Neuropsychologist
- Physical Therapist
- Speech-Language Pathologist

Call 804-360-4669 to schedule an appointment. Visit [Information for Client](#) for details. Interpreter available on request.
