MaxiAids is an online catalog, which is filled with over 6,000 items and has been designed specifically for your special needs. We provide adaptive products for vision, hearing, mobility, medical supplies, household items and computers-- products for independent living and products designed to enhance your lifestyle simply by making your every-day tasks easier.

Some vision aid products include Braille products, canes, clocks, large print, talking products, magnification, writing-reading aids, recreational items and more items for low vision.
