Prince George County Police Department offers Nixle. Nixle is a communication system that sends message to mobile phones or emails when government agencies need to contact the public. Nixle can be for public and/or private messaging. Nixle allows you to get alerts from your local police, fire and county administration.

Visit the [Nixle program](#) and sign up. You can choose as many locations as you want: your house, business, family homes, etc.

Service Area(s)

Prince George County
