Assisted Vacation is a group of health care professionals who provide assistance to elders and caregivers who wish to travel. Each Assisted Vacation is unique and designed to the specific needs of the guest. We follow the person-centered care philosophy and can accommodate nearly any requirement or request.

We design group travel excursions, assist individuals on family vacations, provide assistance to individuals who wish to travel alone, and support those in hospice or those who are near the end of their life and wish to take a trip of a lifetime.

We also provide assistance to individuals who need to travel for medical procedures. Our skilled, caring team members can provide personal care, medication management, nutritional services, dementia activities, supervision, socialization, travel support. one on one travel companions and assistance with mobility.

Headquarters is in Asheville, North Carolina, but team members are located throughout North America and Europe to provide support.
