Event Description

The Financial Wellness Series, launching in June, will offer specialized financial education to area seniors at all income levels and stages of life—pre- or post-retirement. The goal is to help people become better stewards of their own resources by increasing their financial understanding.

Money Matters 1—Becoming Resource-FULL with the Help of Benefits & Peace of Mind Savings—is designed for those struggling to make ends meet on a fixed income. Buck Klintworth, portfolio manager with Chase Investment Counsel Corporation, facilitates this series.
