Event Description

The Alzheimer's Association presents the 17th Annual Education Conference, Enhancing Quality of Life in Dementia Care. A conference that brings together health professionals and families to understand a person-directed approach to caring for those living with Alzheimer's. There is a general rate of \$95, a group or more registering together will be \$85 each, and if you actively provide care for a family member with dementia you are \$35. If a scholarship is needed for family caregivers or persons with a diagnosis, please contact Ellen Phipps at 434-270-0539. CEUs can be purchased on the day of the event for \$20.

They are also presenting a Pre-Conference Workshop for Healthcare Professionals, for more information visit that event.
