Event Description

A census representative will be available in the lobby to provide information and answer questions about the 2020 Census, which is just around the corner! The results of the 2020 Census will help determine our state's representation in Congress, as well as how federal funds are distributed locally for schools, hospitals, roads, emergency services, and more. Also, the U.S. Census Bureau is hiring thousands of people for temporary jobs across the country. These positions provide the perfect opportunity to earn extra income while helping your community. To learn more, visit [www.2020census.gov/jobs](http://www.2020census.gov/jobs) or stop by The Center on February 20.
