Skilled nurses at OptimumCare Home Care offer more than just rehabilitative therapy or preventing falls, their services are in the profession of providing compassionate care. The goal is to achieve your continued treatment from hospital to home such that the healing process is not interrupted no matter who you are.

Nurses are tasked with various other health management responsibilities including but not limited to:

- respiratory care
- administration of prescribed medication

- wound care and dressing changes
- IV therapy
- colostomy care
- phlebotomy
- cardiovascular disease care
- catheter care
- post-surgery care
- therapeutic anticoagulation
- incontinent care
- patient education
- heart failure patient care
