Catholic Charities of Eastern Virginia Senior Transportation Program is a fee-forservice and is an additional service available under the In-Home Services for Seniors. This program offers non-emergency transportation services to seniors ages 60 and older. This service is designed to meet the transportation needs of ambulatory seniors and to optimize their quality of life. Our goal is to help individuals of all different backgrounds, cultures, and states of health to "age in place" in the comfort of their own homes and in the community for as long as possible.
