Naborforce can provide light support around your home:

- Preparing a meal,
- Helping with laundry and changing linens,
- Organizing and cleaning out,
- Help with your smartphone or other technology,
- Hanging out and visiting.

Nabors also help with errands, either with you or for you including services like:

- Grocery shopping,
- Picking up prescriptions,
- Shopping for gifts.

Errands may be done on a "no contact" basis. Nabors also provides transportation to medical appointments, trips to the salon; or even a "Sunday drive."

Nabors has helped clients with repairing a birdhouse, blocking a knitted blanket, recording memoirs, and setting up a meditation room. A Nabor can be of help in a variety of ways.

Naborforce does not provide any personal care. We do not assist with bathing, feeding, dressing, or toileting. Additionally, we do not provide medication management, wound care, "safe transfers," or any other regulated activities. Should you need that level of care, please contact a home care agency.
